From the East

Brethren and Friends,

Senior Wardens Night..... Already

Thank you for all of your support in getting me to this point, I sincerely look forward to working with all of you through this year and into the future. I feel so privileged to be a member of such a great fraternity in what I believe is the best lodge anywhere.

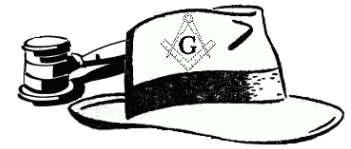

This month we will have the Jobs Daughters preparing and serving dinner for the lodge, all contributions will benefit our bethel directly. After dinner the girls will be putting on a program for us upstairs, everyone is invited, so please bring your families.

I look forward to serving the lodge this year and I hope to be able to follow in the footsteps of so many fine men next year. If I can ever be of assistance, please do not hesitate to contact me.

Sincerely and Fraternally,

Darrell Smith

Senior Warden

Mahova Update

Beginning with this issue of your Midlothian Lodge 211 bulletin, you will note the heading Mahova Update. Look for this distinctive title each month.

Now is the time to remember our Mahova Birthday Program, where we suggest a contribution to Mahova of a dollar for each year of your age. The most important thing to remember is that this is a suggestion only--any amount that you can contribute is equally appreciated, and will count towards earning the Morlock Award for this year!

If your birthday has already passed, remember it is never too late. Perhaps a family member could honor you with this as a birthday gift. It is easy to make your tax deductible check payable to Mahova and hand it to our Treasurer. Cash is acceptable as well.

Thank you for your continued generosity.

Masonic Home Ambassador

Widow Recognition

All of our widows are important to us. Please consider inviting a widow to our next stated communication. They are always our guest and their meal is on us. If you know of a widow in need, please contact the Junior Warden, or Worshipful Master.

New Lodge Calendar

The lodge leadership is constantly trying to improve the means by which the lodge communicates with the membership. As a byproduct of this, the 16th district calendar has recently been integrated into our website. The calendar includes Midlothian 211 events listed in yellow, while other events happening within the district are listed in blue. The new calendar is available directly on our website:

<http://www.midlothian211.org/calendar.htm>

Wor. William Raymond will be updating the new online calendar very frequently, so please be sure to check it often for the most current listing of up-to-date events for both Midlothian 211 and for District 16.
